IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

SUBMISSION OF UTILITY PATENT APPLICATION

Hon. Commissioner of Patents and Trademarks
Washington, D.C. 20231

S I R:

1. Enclosed are thirty-three (33) pages of specification (24) claims and eight (8) sheets of drawing forming the utility continuation-in-part application of

Thomas R. Potter, Sr. and Ralph C. Ferguson
for a patent entitled:

ELECTRONIC PARKING METER SYSTEM

2. This C-i-P application is being filed under 37 CFR 1.53(b) without a declaration and filing fee.

3. The applicants claim priority under 35 U.S.C. 120 of application Serial Nos. 08/720,721 and 09/525,148, respectively filed 2 October 96 and 14 March 2000.

4. This C-i-P application includes a copy of the Declaration signed by Ralph. C. Ferguson, the inventor of the subject matter in application Serial No. 08/720,721. No Declaration of Thomas R. Potter, Sr., the inventor of the subject matter in application Serial No. 09/525,148 is enclosed as that application was filed under 37 CFR 1.53(b) without a declaration and the prosecution of that application was terminated in favor of the subject C-i-P application (see the file of application Serial No. 08/525,148).

CIP APPLICATION
POTTER, SR. ET AL.

5. The C-i-P application is assigned to Innovapark Company,
L.L.C. of New York.

6. It is requested that all correspondence in connection with
the enclosed patent application be sent to the address indicated
below.

Respectfully submitted,
Thomas R. Potter, Sr. et al
